	11.09.2017	<p>Petitioner/Accused is represented. I have already heard the learned counsels of the both sides. The prosecution case in brief is that on 09-08-2017 a joint combing operation was conducted in the area of Pepe Basti plantation area and during operation it was found that some teak tress were found illegally felled. It was suspected that petitioner/ accused was involved in felling of aforesaid tress. I have also very carefully gone through the case diary as well as the Petition in question. It has been submitted by the learned lawyer on behalf of the Petition/accused that petitioner accused was no way involved in the alleged occurrence. I find till now the concerned investigating officer has not managed to collect incriminating material against the petitioner/accused. In view of the discussion above, I am of the opinion that it is a fit case where the privilege laid down under section 438 Cr.PC can be extended to the petitioner/accused Samir Paul to go on bail of Rs. 20,000/- (Twenty thousand) with a local surety in the event of his arrest or surrender in connection with Borlangfer PS.</p>
