[1] Complainant is present. Complaint was sent for police investigation under Sec. 202 of the Cr.P.C. The police has reported vide Exh. 04. Police has taken some statements during the course of investigation. Perusing the statements, it appears that the Victim Gitaben herself has stated that the accused Apibhai and Kamleshbhai have not spoken any abusive words and they have not misbehave or tried to outrage her modesty. It has come on record that accused were stopped by the complainant, and one Bhailubhai and accused Kamlesh were not present at the time of incident. Therefore, from the entire report of the police, it appears that complainant has leveled false allegations against the present accused. Therefore, prima facie when the complainant has not shown from the investigation that there is prima facie case against the accused to proceed further, therefore, report of the police requires to be accepted and complaint is required to be dismissed. Hence, Court passes following final order.

: O R D E R :

- The complaint is dismissed.
- The inquiry is disposed of accordingly.

Pronounced in the open Court, today, on this 14th Day of November, 2019.
