

Order below Ex. 1 in Civ.Misc.Appln. No. 1/2018

1] The applicant has filed the present application for condonation of delay and for issuance of heirship certificate.

It is contended by the applicant that Gayabai Shankar Patil died on 9.1.2017 and therefore, the applicant has filed application in this Court bearing no. 10/2017 for issuance of heirship certificate. That application was decided on 25.7.2017. As the applicant is poor person and as he went to Mumbai for labour work he could not obtained that certificate from the Court. Therefore, he prayed to condon the delay and issuance the alleged certificate.

2] On perusal of the record it revealed that the Civ.Misc.Appln.No. 10/2017 is allowed by the Court on 25.7.2017. However, the applicant failed to submit the stamp paper for the succession certificate and during the lapse of time the record is sent to the record room at Bhusawal. The learned advocate Mr. Pujari appearing for the applicant further submitted that the applicant is financially poor person and as he went for labour work at Mumnbai he could not obtained that certificate within time. None has opposed the application of the applicant. This Court has already granted the application of the applicant. Therefore, it is just and proper to issue certificate to the applicant by calling back from the record room of District Court, Bhusawal. Hence I proceed to pass the following order.

ORDER

2] issue letter to the Hon'ble District Court, Bhusawal for calling back the Civ.Misc. Appln. No. 10/2017 decided on 25.7.2017.
