ORDER

(Dated 22.04.2018)

Complainant has filed Criminal Complaint under Section 48(1) of MRTU and PULP Act. Initially, complainant had filed complaint bearing no.65/2011 before Labour Court, Chandrapur to challenge the termination order dated 04.05.2011. Learned Judge of Labour Court held that by terminating complainant respondents have engaged in unfair labour practice and directed respondents to reinstate complainant on the suitable post to him considering the nature of his health condition on his previous pay scale with continuity of service. Said order is challenged before Industrial Court, Chandrapur. The member, Industrial Court, Chandrapur confirmed the order of learned judge of Labour Court. The respondents did not comply with the said order. Hence this criminal complaint. Both the complainant as well as representative of the accused appeared before Lok-Adalat and filed pursis Exh.U-6. The proposed accused are ready to reinstate the complainant by providing light work i. e. on the post of peon. Accused also ready to pay back wages by considering his absentee as a leave period. Complainant has accepted the said condition and therefore he wants to withdraw the complaint. I have verified the contents of pursis Exh.U-6. Both parties have admitted the contents to be true. Junior Administrative Officer is authorized by the respondents to compromise the matter. Therefore in view of contents of pursis Exh.U-6, I pass following order.
