Present:- Sh. Rajiv Chaudhary, Addl PP for the State.

Heard. Record perused. SHO PS Anti Power Theft, Bathinda (APT) has filed this cancellation report in respect of an offence u/s 135 of Electricity Act, which was registered against accused. The cancellation report has been duly forwarded by DSP (V&S) PSPCL, Patiala for accepting the same. The FIR was lodged with the allegations of theft of electricity by the accused, who was served with a notice for payment of penalty and compounding charges. A prayer has been made for cancellation of the FIR on the ground that the amount of penalty and compounding charges have been deposited by the accused.

I have heard the learned Additional PP for the state and gone through the documents filed with the cancellation report which show that the amount of penalty and compounding charges have been deposited by the accused. So service of complainant is dispensed with. The cancellation report is allowed in view of provisions of Section 152 (2) &(3) of Electricity Act, 2003. Cancellation report along with copy of this order be sent to the concerned police station and papers of court be consigned to the record room, Ferozepur.
