Case No : TS(P) 04 of 2015

21-05-2019

Both the plaintiffs and defendants are absent without filing any step.

Seen the case record carefully.

Today is fixed for step by plaintiff.

In the absence of step of plaintiff the case is dragged.

The case is at the stage of appointment of survey commissioner since no amicable partition could be made by parties after passing of preliminary decree.

However plaintiff side is given one last opportunity to take necessary step for appointment of survey commissioner for ends of justice.

Fix 31-05-2019 for step by plaintiff.

As dictated.
